

NATIONAL AGENDA FORUM

www.indianpac.com/naf/

As the nation comes together to celebrate **Mahatma Gandhi's 150th Birth Anniversary year**, Indian Political Action Committee (I-PAC) aims to resurrect the conversation around one of his most important pieces of work – an **18-point Constructive Programme** for *Poorna Swaraj*.

Written over a period of time and last shared by Mahatma Gandhi in 1945, this 18-point Constructive Programme outlined the key priorities for independent India. As Gandhiji had said, “*My list does not pretend to be exhaustive; it is merely illustrative*”. He mentioned that the readers will see several new and important additions and encouraged them to add what in their opinion should be part of the key priorities of India.

About NAF

Taking this spirit forward, 73 years later, I-PAC together with its associates and volunteers attempts to bring together millions of fellow citizens through the **National Agenda Forum (NAF)**, a pan-India initiative to **resurrect the conversation** around Gandhiji's 18-point Constructive Programme and use it to **re-imagine** and **co-create** India's priorities to formulate an actionable agenda for the present.

NAF was launched on 29th June, 2018 by more than **25,000 youth volunteers** from 1,788 colleges spread over 530 districts across India, who had come together with the aim to mobilize the citizens of India for **4 key action points**:
